

Tim Corrigan, OFS

Tim entered into eternal life on January 20th, 2017. Tim was a professed member of the San Luis Rey Secular Franciscan fraternity in Oceanside, California. Tim also served the fraternity in leadership roles, including a past term as the Minister of the fraternity.

Tim had a particular affinity with St. Francis of Assisi saying that he could relate to St. Francis not only in all the ways folks generally do, but that in being a United States Marine he also felt a commonality with Francis in that they had both had shared experiences of military service.
